

A Project Idea Note (PIN) and Letter of No Objection (LoNo) application is submitted to the DNA Secretariat

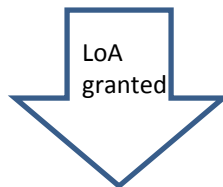

The DNA Secretariat reviews the PIN and application and grants a LoNo or ask for more information

A Project Design Document (PDD), Letter of Approval (LoA) application and other relevant documents are submitted to the DNA Secretariat

A relevant Technical Committee reviews the documentation and decides whether to grant a LoA

Upon a satisfactory review, a LoA is granted by the DNA
